America SCORES Milwaukee's "Inspired Art" Event

Take Home Original Art Pieces Imagined by Youth Poets, Interpreted by Adult Artists, Inspiring to All!

MILWAUKEE, WI (September 16, 2014) – Spend a fun Friday night with friends old and new at the Milwaukee Public Market (400 N. Water Street) while raising funds to benefit our community's at-risk youth.

From 6:00 to 9:00 p.m. on October 24th, guests will have the opportunity to purchase one of a kind pieces of art inspired by the poems of America SCORES Milwaukee student athletes, and created by talented local and regional artists.

"Every piece of art captures and reflects the beauty and purpose of what our organization does and will go home with the highest bidder that evening," said Kate Carpenter, Executive Director of America SCORES Milwaukee. "This truly inspiring event raises the awareness and funding that is imperative to support our program's current needs and future growth."

Event tickets are \$45 per person, can be purchased online or at the door, and include free parking, light appetizers and two drink tickets. In addition to the unique mix of art for purchase, there will be a wine pull and opportunities to win raffle items.

"The top floor of the Milwaukee Public Market is a fantastic location to host our event because the light and spatial elements will dramatically showcase the art pieces," said Carpenter. "Many of the 40 artists who enthusiastically contributed their time and talent to benefit the children we serve through their creative vision and generous donation will be at the event to further support our inspiring program."
